

technical data

Lafayette Line

Composition: 100% silk fabric on crepe paper or non-woven backing.

Weight: 240 grams per linear metre.

Width: 110cm

Roll Length: supplied by the metre (cut lengths available).

Pattern repeat: 21.3cm (height)

Fire Rating: ASTM E84 adhered Class A and Euroclass fire rated. Suitable for all areas of residential and non-residential buildings. Equivalent to class 0 & 1.

Light Fastness: 5 to 7 out of 8 to ISO-105 B Method1 Standard.

Surface Treatment: Lurotex surface treatment applied in production to give resistance against stains and splashes.

Cleaning: If splashed, the Lurotex treatment will cause any contaminant to form surface droplets. These can then be removed by gentle blotting with absorbent material.

The wallcovering can be vacuumed on a regular basis.
